CHAMPAGNE **TAITTINGER**

Reims

Champagne for the Independently Minded.

Champagne Taittinger's origins date back to 1734. Today it remains one of the few top houses actively owned, and run, by the family named on the label. With many of their Champagnes being matured in Taittinger's magnificent UNESCO World Heritage status 4th century Roman cellars, the hallmark of these wines is the high percentage of Chardonnay used, which gives them elegance, delicacy and finesse.
